

**Faculty Positions at the Department of Statistics & Applied Probability,
National University of Singapore**

The National University of Singapore intends to hire faculty members whose research focus is in data science, broadly defined, and with interest or experience in big data analysis.

The positions can be at any level.

A PhD in statistics or a related field is required. The applicants should have demonstrated potential for excellence in research in data science, teaching and service. The shortlisting of candidates will begin in December 2019.

Applicants should send an application letter, a CV, a research statement and a teaching statement and arrange for at least THREE reference letters to be sent directly to the Department of Statistics & Applied Probability.

Applications should be mailed by post or via e-mail to:
